

poradirana hrana, 2023

Opis: Na papirju s svinčnikom narisana hrana je poradirana. Na risbi ostane samo obris zbrisane risbe. Papir z risbo je zapakiran v PVC vrečko z informacijami.

Oris: Če si med delom lačen in ne moreš jesti, vzameš v roke svinčnik, narišeš hrano, ki jo želel pojesti in jo poradiraš. Simbolično ješ in se nasitiš s hrano.

erased food, 2023

Description: Food drawn on paper with a pencil is erased.
Only the outline of the deleted drawing remains on the drawing.
The paper is in a PVC bag with information.

Outline: If you're hungry during work and can't eat, you pick up a pencil, draw the food you'd like to eat and erased it out. You symbolically eat and fill yourself with food.
