Opis: Lista papirja s perforacijo je zapakiran v PVC vrečko z informacijami.

Oris: Razmišljam kako nastane iz praznega lista papirja preluknjan list papirja.
V list izsekam luknjo, to dejanje pretvori misel v resnico ali fakt.

NOTHING, 2023

Description: A
sheet of perforated paper is packed in a PVC bag with information.

Outline: I am thinking how a blank sheet of paper is made into a perforated sheet of paper.
I cut a hole in the sheet, this action transforms the thought into a truth or fact.
