Opis: Umetniški objekt je pobarvano slikarsko platno na katerega stranico je prilepljen barvni list papirja. List prosto plapolja v zraku ali ga z roko premikamo kot bi listal knjigo.

Oris: Vsakič ko preberem knjigo po občutu izberem barvi glede na interpretacijo vsebine in prebarvam platno in papir. To me sprosti in se mi zdi, da sem ujem občutje knjige. Listanje je pomembno.

Description: An art object is a painted canvas to which a colored sheet of paper is glued. The sheet flutters freely in the air or is moved by hand as if leafing through a book.

Outline: Every time I read a book, I choose colors based on my interpretation of the content and repaint the canvas and paper. This relaxes me and I feel like I have captured the feeling of the book. Leafing through is important.
